### Timber Industry Initiative Enters Circulation

***Tax to Fund Increased Oversight of Timber Industry. Initiative Statute.***

**SACRAMENTO** – Secretary of State Debra Bowen today announced that the proponent of a new initiative may begin collecting petition signatures for his measure.

The Attorney General prepares the legal title and summary that is required to appear on initiative petitions. When the official language is complete, the Attorney General forwards it to the proponent and to the Secretary of State, and the initiative may be circulated for signatures. The Secretary of State then provides calendar deadlines to the proponent and to county elections officials. The Attorney General's official title and summary for the measure is as follows:

**TAX TO FUND INCREASED OVERSIGHT OF TIMBER INDUSTRY. INITIATIVE STATUTE.** Imposes harvest tax on timber and other forest products at rate of 33% of profits on product from public lands, 8% of profits on product from private lands. Exempts other forest products harvested on Native American lands, and timber harvested from private lands solely for private noncommercial use. Establishes department to collect and allocate tax, and oversee timber harvesting and environmental protection and restoration. Transfers Department of Forestry and Fire Protection timber harvest oversight responsibilities to new department. Prohibits use of new revenues by other state agencies or federal government. Fiscal impact: **It is the opinion of the Legislative Analyst and Director of Finance that the measure would result in a substantial net change in state finances.** (13-0001.)

The Secretary of State's tracking number for this measure is 1591 and the Attorney General's tracking number is 13-0001.

The proponent for the measure, James D. Smith, must collect signatures of 504,760 registered voters – the number equal to five percent of the total votes cast for governor in the 2010 gubernatorial election – in order to qualify it for the ballot. The proponent has 150 days to circulate petitions for the measure, meaning the signatures must be collected by September 10, 2013.

The initiative proponent can be reached at (707) 391-1740.
